IV. PLAN REVIEW REQUIRED

See below for plan review requirements before completing this section. Plans and specifications must be submitted when the wiring or alteration to an electrical system is over 400 amps and is in excess of 3500 square feet in all buildings.

What is the rating of the service or feeder in amperes? _____ What is the building size in square feet? _____

Have plans been submitted? YES NO NOT REQUIRED

Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or licensed engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal, except:

- When the electrical system rating does not exceed 400 amperes and the building is not over 3,500 square feet in area.
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00

PLANS MUST BE SUBMITTED BEFORE A PERMIT CAN BE ISSUED.

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential structure. Violators of sections 23a are subjected to civil fines.

Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Section VI. Homeowner Affidavit) Sign here X:	Date
---	------

VI. Homeowner Affidavit: Homeowners also sign here X:

I hereby certify the electrical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Electrical Code and **shall not be enclosed, covered up**, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

Homeowner: **If you are homeowner, please sign above TWICE as indicated**

IX. INSTRUCTIONS FOR COMPLETING APPLICATION

GENERAL: Electrical work shall not be started until the application for permit has been filed at the Township Hall. All installations shall be in conformance with the Michigan Electrical Code. **No work shall be concealed until it has been inspected.**
When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the job location and permit number. The phone number for the Inspector is provided on the header of this application and on the permit. The permit will be mailed to you

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED OR REINSTATED.

The Department will not discriminate against any individual or group because of race, sex, religion, age, national origin, marital status, handicap or political beliefs.

X. UTILITY SERVICE ORDER NUMBER

If this application includes work involving service equipment, include the serving utility work order number here.
