

Proposed Revision to Trash Ordinance

SOLID WASTE

Article I. IN GENERAL

Sec. 62-2. Storage / Accumulation

No person shall deposit, throw or place any garbage, rubbish or trash in any street, alley or other public place within the township. **No person shall allow another person to deposit, throw or place any garbage, rubbish, or trash that belongs to him/her in any street, alley or other public place within the township, with or without their express permission or knowledge.** No person shall place or keep any garbage, rubbish, or trash upon any private property whether owned by such person or not unless the same is enclosed in a proper receptacle or container as hereinafter provided. No person shall allow, **with or without his/her express permission or knowledge,** any garbage, rubbish, or trash to collect or lie upon any property owned or occupied by him in such a manner that it attracts flies, vermin or rodents, or emits noxious odors, or is unsightly, or may blow or scatter on adjoining lands or otherwise offends the public health, safety, comfort or repose.
